Our CME program promises to provide the latest in medical education as well as information on how to maximize and improve the effectiveness of medical practice.

- Scientific exhibits provide the latest in drug therapy and medical equipment.
- 25 AOA 1-A CME Credits, that meet the AOA requirements for membership, the state requirements for licensure renewal, and with most specialty society requirements to maintain specialty certification.
- Connecting with old friends while also sharing new ideas and experiences is enjoyed by all who attend.
- Time for relaxing and enjoying family and friends is always considered at ALOMA.
